

# Earth Day... It's my Birthday!

## H<sub>2</sub>Owl

**Whooooo is this smart-looking owl with the funny name?**

The wise people at the San Gabriel Valley Municipal Water District call me **H<sub>2</sub>Owl**

and I've arrived just in time for Water Awareness Month in May. I'm made of items we all can use to save water. I'm the Conservation "Guru" for our four member cities – Alhambra, Azusa, Monterey Park and Sierra Madre. I'll be visiting schools, youth groups, parks, shopping centers, businesses and more to promote water awareness and conservation efforts. If you would like me to fly over for a visit with your group, please call the District at 626-969-7911. I look forward to meeting you and sharing more about how we all can protect our water supply.

**Whooooo can make a difference? YOU! That's whooooo!**

## SAVE WATER!

## Mission of SGVMWD

Our mission is to maximize the quality and quantity of the supplemental water supply, protect the entire groundwater basin, encourage water conservation through education, minimize the cost of supplemental water, improve water quality, and search for additional sources of supplemental water. Meetings of the Board are open to the public and are held on the second and fourth Mondays of each month at 8:00 a.m. at District headquarters.

The District is led by a 5-member Board of Directors elected by residents of the four cities.
